Take the "grind" out of grinding coffee beans with Curtis Portion Control Coffee Grinders.

Available in Full-Size and Low-Profile

Single Hopper and Dual Hopper models, these superior grinding systems feature fully automatic operation. A host of intelligent design features

are incorporated to give you the most efficient, dependable and easy-to-operate coffee grinders you can buy.

A Warranty That Out-Performs The Rest.

Curtis Provides the Best Coffee Grinder

40 Warranty in the Business...
Full One-Year Warranty on all components...and 40 months or 40,000 lbs. of coffee on grinding burrs.

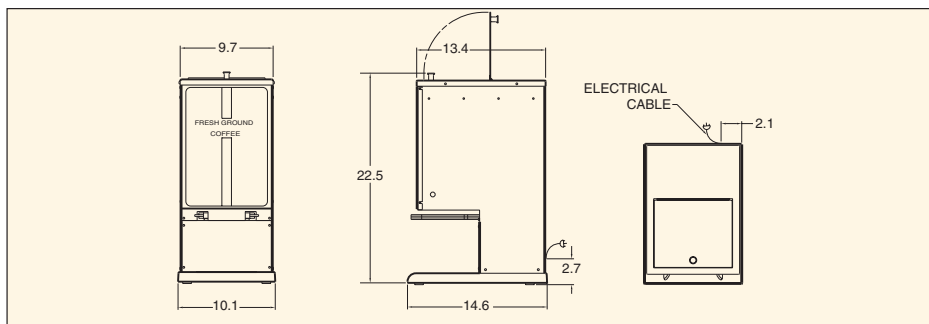

Performance Features Unmatched By Any Other Grinder

- **Fully Automatic Operation.**
- **Solid State, Dual Range Timers** – Ensures precise portion control in all portion sizes.
- **Models ILG & ISLG "Interlock" with Gemini Systems** – To create a foolproof fresh-grind/fresh-brew coffee center.
- **Infinitely Adjustable Grind Settings** – From extra-coarse to extra-fine grinding.
- **Fully Adjustable Portion Size** – 1 oz. to 27 oz. (20 oz. on ILG and ISLG).
- **Larger Hopper Capacity than Competitive Models** – Reduces labor costs with less frequent refills.
- **Full-Size Models:**
SHG: Single 6 lb. Hopper
DHG/ILG: Dual 7½ lb. ea. Hopper
- **Low-Profile Models:**
SLG: Single 5 lb. Hopper
ISLG: Single 5 lb. Hopper
- **One-Button Grinding** – Automatically stops when portion is fully distributed.
- **Dual Hopper Models** – Lighted select/start buttons begins grinding process as hopper is selected. No "two step" process!

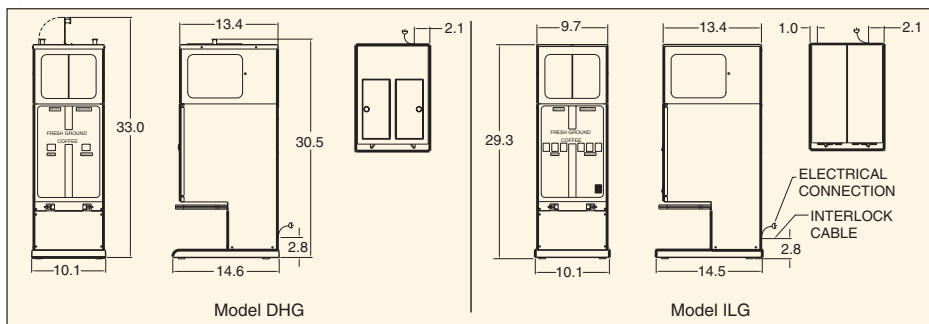

- **Single Hopper Models** – Single select/start switch.
- **Positive Flow Auger** – For uninterrupted coffee dispensing.
- **Self-Adjusting Brew Rails** – Easily handle large Gemini brew baskets and all other basket models and sizes.
- **Gemini Match Profile** – Wider base than competitive models. Brew rails never extend beyond housing with larger baskets.
- **Large Grinding Burrs** – Provide faster more efficient operation.
- **Highly Accurate and Consistent Throw** – For even distribution, dust reduction.
- **Uniform Grind.**
- **Powerful ½ hp Motor** – Equipped with safety circuit breaker.
- **Standard 120VAC Operation.**
