

7E / 7E COMPACT

Classe 7 is an essential, versatile machine made from tough materials, such as aluminium and steel, so it is very sturdy and reliable.

Available in a 2 groups compact version, or with 2 and 3 groups and also in a Tall version.

Electronic control and automatic dosing for practical preparation with consistent results.

The machine has a hot water dispenser with programmable time-controlled dosing.

Classe 7 has an ergonomic lighting system in the work area to make the barista's job easier plus chrome group covers and all the distinctive stylish accessories from the Rancilio range.

Classe 7E - 3 groups
